Categories of personal data we process

Name, employer, nationality, business address, business communication data (e.g. telephone, e-mail), business bank details

What will your personal data be used for? (Purpose of data processing Art. 13 para. 1 lit. c GDPR)

Fulfillment of contractual obligations, implementation of pre-contractual measures

Legal basis for the processing of your data

The processing of your personal data is based on the EU General Data Protection Regulation (GDPR) and the German Federal Data Protection Act (BDSG). Insofar as you have given us your consent to process personal data for specific purposes, Art. 6 para. 1 lit. a GDPR serves as the legal basis for the processing of personal data. This consent can be revoked by you at any time. The processing of personal data in the context of the performance of contracts to which you are a party or for the implementation of pre-contractual measures, which are carried out at your request, is based on Art. 6 para. 1 lit. b GDPR. The purpose of data processing depends on the respective services agreed on in the contract. If processing of personal data is necessary to comply with a legal obligation to which our company is subject, Art. 6 para. 1 lit. c GDPR serves as the legal basis. If processing is necessary to protect one of our legitimate interests or the legitimate interest of a third party and if the interests, fundamental rights and freedoms of the data subject do not override the first-mentioned interest, Art. 6 para. 1 lit. f GDPR serves as the legal basis for the processing.

Legitimate interests in case of balancing of interests (Art. 13 para.1 lit. d GDPR)

- Fulfillment of contractual obligations
- Assertion of legal claims and defense in legal disputes,
- Prevention/avoidance/resolution of criminal and administrative offenses; in particular, compliance with foreign trade, customs and tax law regulations;

Any other recipients of personal data (Art. 13 para.1 lit. e GDPR)

We may only pass on data to recipients within and outside the Kaman Group if this is necessary, if a legal provision requires this, if you have consented or if processors commissioned by us in accordance with Art. 28 GDPR have been contractually obligated to comply with the requirements of the GDPR and the BDSG. Such parties can access your personal data only insofar as this is required within the framework of the „least privilege“ principle (allocation of user rights to the smallest possible extent) and the „need-to-know“ principle (knowledge of data only when necessary). Under these conditions, recipients of personal data can be in particular:

- Customs and foreign trade authorities,
- Logistics service providers
- Internal or external IT service providers,
- Appointed data protection officer,
- Internal or external providers of internal audit services,
- Providers to perform sanctions lists screenings,
- Lawyers, debt collection service providers, courts, auditors,
- Responsible internal departments and external service providers if required

Any other recipients outside the EU/EEA (Art. 13 para.1 lit. f GDPR)

To the extent permitted by law and required in the context of the business relationship and its implementation, your data may also be transferred to other group companies of Kaman Corporation, 1332 Blue Hills Avenue, Bloomfield, CT, USA. Contracts have been concluded with these companies on the basis of the EU standard contractual clauses pursuant to Article 46 para. 2 lit. c GDPR.

How long do we store your personal data? (Art. 13 para. 2 lit. a GDPR)

We process and store your personal data as long as it is required to fulfill the respective purpose. In addition, storage may take place if this has been provided for by the European or national legislator in EU regulations, laws or other provisions to which we as the controller are subject. These are, in particular, regulations found in the German Commercial Code or the German Fiscal Code, which mandate the storage of data relevant under tax law and of receipts for a period of six or ten years. When the data is no longer required, or if a storage period prescribed by the aforementioned standards has expired, your data will be deleted on a regular basis.

From which sources, if any, do we collect data about you? (Art. 14 para. 2 lit. f GDPR)

What rights do you have?

You have the right:

- In accordance with Art. 7 para. 3 GDPR to withdraw your consent once given to us at any time, insofar as we process your personal data on the basis of consent. This has the consequence that we may no longer continue the processing of your personal data in the future. The lawfulness of the processing carried out up to the time of the withdrawal is not affected by this.
- In accordance with Art. 15 GDPR to request information about your personal data processed by us. In particular, you can request information about the processing purposes, the category of personal data, the categories of recipients to whom your data has been or will be disclosed, the planned storage period, the existence of a right to rectification, erasure, restriction of processing or objection, the existence of a right of complaint, the origin of your data if it has not been collected by us, as well as the existence of automated decision-making including profiling and, if applicable, meaningful information about its details;
- In accordance with Art. 16 GDPR to immediately demand the correction of incorrect or completion of your personal data stored by us;
- Pursuant to Art. 17 GDPR to request the erasure of your personal data stored by us, unless the processing is necessary for the exercise of the right to freedom of expression and information, for compliance with a legal obligation, for reasons of public interest or for the establishment, exercise or defense of legal claims;
- To request the restriction of the processing of your personal data in accordance with Art. 18 GDPR, insofar as the accuracy of the data is disputed by you, the processing is unlawful, but you object to its erasure and we no longer require the data, but you need it for the establishment, exercise or defense of legal claims or you have objected to the processing in accordance with Art. 21 GDPR;
- Pursuant to Art. 20 GDPR to receive your personal data that you have provided to us in a structured, common and machine-readable format or to request the transfer to another controller and
- Pursuant to Art. 77 GDPR to complain to a supervisory authority. As a rule, you can contact the supervisory authority of your usual place of residence or workplace or our company headquarters for this purpose.

Pursuant to Art. 21 GDPR, you have the right to object at any time, on grounds relating to your particular situation, to the processing of personal data concerning you which is carried out on the basis of Art. 6 para. 1 lit. e or f GDPR; this also applies to profiling based on these provisions. We will then no longer process your personal data unless there are compelling legitimate grounds for the processing which override your interests, rights and freedoms, or the processing serves us to establish, exercise or defend legal claims.

High-Precision Ball Bearings

Do we use your personal data in the context of automated decision-making? (Art. 13 para. 2 lit. f GDPR)

We do not use any fully automated decision-making pursuant to Art. 22 GDPR and, in general, no „profiling“. Should we use this in individual cases, we will inform you separately, if this is required by law, and obtain your prior consent if necessary.

Is there any legal or contractual obligation to provide the personal data or is it required for the entering into a contract? (Art. 13 para. 2 lit. e GDPR)

Within the framework of the contractual relationship, you are contractually obligated to provide those personal data that are necessary for the establishment, implementation and termination of the contractual relationship and the obligations resulting from it or which we are legally obligated to collect.

What are the consequences if you do not provide us with the required data? (Art. 13 para. 2 lit. e GDPR)

Without the provision of this data, it may not be possible to enter into a contract or we may not be able to fulfill our obligations arising from the contractual relationship (such as payment of the agreed remuneration, delivery of the goods, etc.).
